2009 CHRISTMAS TREE PRE-ORDER FORM

 **younglife.**

Hello East Auckland Neighbour,

I am selling Christmas trees on pre-order, as a fundraiser, so that I and other teenagers in our community may attend camp this summer. You can still choose your own tree from our Botany tree lot, just south of Botany Downs Secondary College, in December. However, by pre-ordering now, you will be helping me and other young people attend camp this summer.

5 - 7 Foot Christmas Trees = \$35

Young Life is a non-profit trust providing youth workers in our community as well as camping opportunities full of fun and adventure. You can learn more about Young Life by visiting our website at:

www.younglife.org.nz

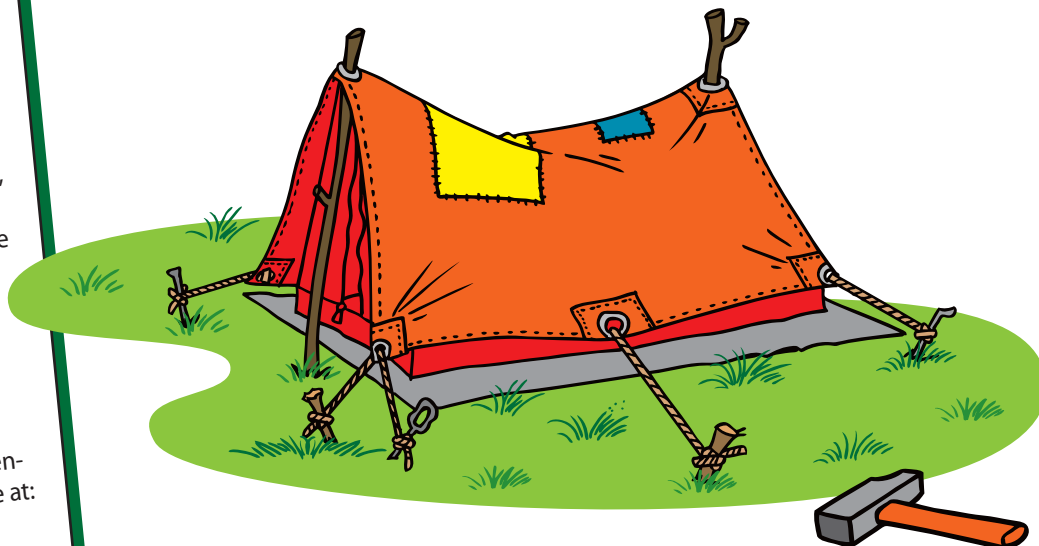

There is nothing to lose by ordering your tree now as you still get to choose your own tree. Please, will you help send kids to camp?

Thank you,

Young Life PO Box 39796, Howick, Auckland

About Young Life Camps

Young Life is sponsoring 3 different camping opportunities for which teenagers in our area are raising funds:

1. SOLAR: 28 Dec -2 Jan. Solar will be a week long New Year's celebration camp for teenagers. This will be a full-on week at Lakes Ranch near the beautiful Rotorua lakes. www.solarcamp.org.nz

2. Fish Camp: 22 -26 January, a week long boys only camp on the Kaipara Harbour providing a truly outdoor adventure. www.younglife.org.nz/camping

3. Young Life Int'l Camping - A few students are also raising funds to go to a Young Life camp in the USA during the July holidays in 2010. This will be a chance of a life-time for these students to visit the USA and attend this overseas week-long camp.
